

BIBLICAL WISDOM

This week we are learning about the Temptation of Jesus. In this story, Satan tried to tempt Jesus into making the wrong decisions. But Jesus chose to be wise instead! Being wise is knowing the right thing and then doing it! So now, let's make our craft so we can remember that we can choose to be wise – just like Jesus!

DIRECTIONS

PREP BEFORE SERVICE

1. Print out both pages of the Bible Memory Verse craft on white cardstock.
2. Cut the dotted lines of the Bible cover page and cut both pages in half width-wise.
3. Glue the edges of the Bible cover page to the page with the verse.

DURING THE SERVICE

1. Distribute markers to each table.
2. Give one Bible Memory Verse craft to each child and write their name on the back.
3. Invite the children to color their Bible cover.

**Get creative:* Provide sticker, glitter glue or other craft supplies to decorate their Bible cover.
