2023/24 FYQ3 BaXian Ministry Report

A) BaXian Church Growth:

Praise the Lord for the continuing, amazing work in BaXian Shequ (八仙社区) or BX Region. The church has started an additional evening Sunday Worship Service as the numbers keep increasing. However, most of the people still find the morning session more convenient (presently around 60+) while some of the working people have gone over to the evening session (about 20-30).

They are thankful the Lord has rewarded them with more new believers from their visitation program within the BaXian apartment blocks. Prayer is one of the powerful tools used by the mission team. It has touched hearts, healed bodies and souls among the many elderly people (see pictures). They believed, accepted and came, many brought along their grand-children as well. The Sunday School number grew too ~ there are about 25 children (regular) in the centre presently.

The BX Church will soon need their own building. They are thankful for the approved land purchased earlier and is working hard towards the necessary funding. They hope to raise the support from all the local churches and would be most appreciative if overseas churches can also help. It is wonderful to see the BX Church taking its own initiative, praise the Lord for the strong leadership. May the Lord continue to build them and bless them plentifully.

B) Prayer Request:

Thank the Lord for:

- The leaders of the Yao Churches in DA, especially the BX Church, leading and guiding the members in their evangelical mission. Pray for wisdom in their mission, exercising caution and exhibiting subtleness in friendship making.
- The steady growth of the Sunday Service Meetings and all the church activities. Pray for the visitors/new-comers from the BX Housing Estate. May they have constant faith in Christ and experience His love and care.
- Health protection and wisdom for the OR workers as they work among the people;

- Training of the workers in Nanning (Worship Enhancement course); setting up the Home Cell groups; the BT courses for members and pastors.
- Provisions for their church-building project.

Phil 1:3-6 (ESV)

I thank my God in all my remembrance of you, always in every prayer of mine for you all in making my prayer in joy, because of your partnership in the gospel from the first day until now. And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ.
